

### **FINAL PROJECT SUBMISSION DETAILS**

- Students will be intimated about their final project viva voce exam date through email.
- **Important Note: Regarding the “Title of the project”:** As per the MAHE Manipal norms, "no two" postgraduate projects can have the same title (at least across the students doing internships with the same company). If more than one student is working on the same project, make sure the title incorporates a word relevant to your work to differentiate the project titles.
- Students should submit **two hard copies** of the project report to the office of the Director with the necessary signatures at the required locations one day prior to the viva voce examination.
- Students are eligible for the viva voce examination provided he/she has put in a **minimum of 10 months** of actual work, the project is completed, has given the midterm presentation, and has cleared first and second semester courses before they appear for the viva voce examination.
- **Important Note:** Students are required to send a soft copy of the project report to the guide at MSIS at least 10 days prior to the date of the presentation and get their approval before going for printing and binding. Please note that this is mandatory.
