

# MANIPAL SCHOOL OF INFORMATION SCIENCES

MANIPAL

*(A constituent unit of MAHE, Manipal)*

## **Evaluation of M.E Project Work**

A student is expected to work on a project for a **minimum of 10 months** during the second year of the ME program at an institution or an industry or a research laboratory or any other institution where facilities exist. The continuous internal assessment includes a monthly progress presentation or report and a midterm presentation to the MSIS guide. The evaluation will carry a weight of 100 marks. The final evaluation and viva voce will be conducted after the completion of the project work and the submission of the project report. The final evaluation and viva voce will be conducted by a panel of internal and external examiners.

Continuous internal assessment	- 100 Marks
Final Evaluation	- 300 Marks
<b>Total Marks for the Project Work</b>	<b>- 400 marks</b>

The grade awarded to the student will be based on the total mark obtained by the student out of 400.

Calculation of GPA/CGPA for the second year of postgraduation will be done only after the final evaluation of the project work and viva voce examination. There will be no calculation of GPA/CGPA after the midterm evaluation.

**Continuous Internal Assessment:** It is evaluated on the following heads: presentation (20), report (30), work done (30), complexity (10), and relevance (10).

**Final Evaluation:** Final evaluation is done on the following heads: report (100), presentation (100), and QA & Results (100).
